

Salvation

Here is a short summary of my lecture for the 9th of October

Joseph Shulam

1. Yeshua did not speak much of Salvation. The word "Salvation/soteria" is used only five times in the Gospels. The questions that this raises for all students of the Scriptures are the following?
 - a. What is the meaning of the word "Salvation" in the Gospels?
 - b. Why Luke and John are the only Gospels that use the word "soteria" and Mathew and Mark don't?
 - c. What are the concepts of "soteria" in the Hebrew Bible and what Hebrew words translate these concepts?
2. What does the use of "soteria" in the Gospel of Luke mean?
3. How does Paul use the concept of Salvation?
4. Are there more than one model (Paradigm) of Salvation in the New Testament?
5. What are the implications of the New Testament teaching of Salvation for the Born Again / Holy Spirit churches of the 21st Century?
